DEPARTMENT OF COMPUTER SCIENCE:
TECHNICAL REPORTS, 1963 - 1988

Taleen Marashian Nazarian

Department of Computer Science
Stanford University
Stanford, California 94305
Abstract:

This report lists, in chronological order, all reports published by the Stanford Computer Science Department (CSD) since 1963. Each report is identified by CSD number, author's name, title, number of pages, and date. If a given report is available from the department at the time of this bibliography's printing, price is also listed. For convenience, an author index is included in the back of the text. Some reports are noted with a National Technical Information Service (NTIS) retrieval number (i.e., AD-XXXXXX), if available from the NTIS. Other reports are noted with Knowledge Systems Laboratory (KSL) or Computer Systems Laboratory (CSI) numbers (KSL-XX-XX; CSI-TR-XX-XX), and may be requested from KSL or CSI, respectively.
INSTRUCTIONS

In the Bibliography which follows, there is a listing for each Computer Science Department report published as of the date of this writing. Each listing contains the following information:

- Report number(s)
- Author(s)
- Title
- Number of pages
- Month and year published
- N/I/S number, if known
- Price of hardcopy version (standard price for microfiche: $2/copy)
- Availability code

AVAILABILITY CODES

1. + hardcopy and microfiche
2. M microfiche only
3. H hardcopy only
4. * out-of-print

All Computer Science Reports, if in stock, may be requested from following address:

Publications
Computer Science Department
Stanford University
Stanford, CA 94305

phone: (415) 723-4776
ALTERNATIVE SOURCES

Rising costs and restrictions on the use of research funds for printing reports have made it necessary to charge for all manuscripts. For these same reasons, reports will not be reprinted if stated "out-of-print" or "out-of-stock", unless identified as current and popular. Such cases will be determined solely by the Publications Coordinator.

Reports that are out-of-print at Stanford University, in some cases, may be ordered (for a nominal fee), in either hard copy or microfiche from:

National Technical Information Service
P.O.Box 1553
Springfield, VA 22161

Another possible source for out-of-print reports is the Green Library at Stanford University. Please call (415) 723-9418, or send request for information to:

Technical Information Service
Green Library
Stanford University
Stanford, CA 94305

Reports that are also theses have been so marked and, if out-of-print at Stanford University, may be ordered in either hardcopy or microfiche from:

University Microfilms, International
P.O.Box 1764
Ann Arbor, MI 48106

Call toll-free: (800) 521-3042
Michigan, Alaska and Hawaii call: (313) 761-4700
Canada, call toll-free: (800) 268-6090

All Artificial Intelligence Memos, which are designated AIM-XXX in the bibliography, are also available in microfiche from Comtex Scientific Corporation. Please direct all inquiries about the price and availability of specific titles to:

Comtex Scientific Corporation
850 Third Avenue
New York, New York 10022

Reports identified by a KSI number may be ordered from the Stanford Knowledge Systems Laboratory. They may be contacted at the following address:
Reports identified by a CSL number may be ordered from the Stanford Computer Systems Laboratory at the following:

Publications Coordinator
Computer Systems Laboratory
ER1.443
Stanford University
Stanford, CA 94305

phone: (415) 723-1430
HOW TO ORDER REPORTS

- Prepayment required with all orders.

Send a written request for the reports you would like, ordering by the STAN-CS-number. Please enclose, with your order, a check or money order in the proper amount for all reports ordered. Santa Clara Valley residents must add 7% sales tax. All other California residents must add 6.5% sales tax. Purchase orders will not be accepted. The Publications Coordinator is not responsible for orders received without payment.

Regular purchasers should have a customer number, which must be used on all orders, payments, and correspondence. If you are not a regular purchaser, you will likely be given a customer number with your first order. We will send you the number which must then be used for all orders, payments, and correspondence.

We are offering a subscription rate, to academic libraries ONLY, for the amount of $250.00 per year (This rate is subject to change after January). Subscribers will receive all CSD reports published during their subscription period.

Please send all orders, payments, and correspondence to the following address:
