Relationship Between Research & Papers

♦ If a tree falls in a forest and no one is around to hear it, does it make a sound? -- George Berkeley (1710)
Relationship Between Research & Papers

♦ If you do research and no one knows about it, does it matter?
  – Good papers make research “matter”
  – Replace “papers” by “systems”, “presentations” ...
Relationship Between Research & Papers

♦ Papers, systems, presentations spur new thinking, new research
  – In others as well as in ourselves

♦ Soon enough trees would fall to make a very loud sound
Research is about ideas, involves creativity, but ...
Ideas, Creativity and Research Papers

- Last minute panic is why deadlines are important to write papers
0-Year versus 10-Year Best Paper Awards

 Prediction is very difficult, especially if it’s about the future
 -- Niels Bohr, sometimes attributed to Yogi Berra
0-Year versus 10-Year Best Paper Awards

- Best paper award committees are trying to predict the future
  - What will be the impact of a paper?
  - The contexts differ for 0-year and 10-year committees
What Mattered in 2003?
